## VINYL BACKED CARPET MATS

### Nylon

COLORS  
RED/BLACK TWEED  
BROWN/BEIGE STRIPE  
BLACK/WHITE STRIPE  
BLUE/GREEN STRIPE

THESE ALL-SYNTHETIC HEAVY-DUTY NYLON MATS ARE TUFTED INTO A NON-WOVEN POLYESTER AND FUSED INTO A PREMIUM VINYL. NYLON IS ONE OF THE STRONGEST, MOST DURABLE FIBERS AND THE CARPET SURFACE WILL GIVE EXCEPTIONALLY LONG LIFE. THESE MATS ARE DESIGNED TO WITHSTAND THE ROUGH SERVICE OF RENTAL USE. PLACE THE MATS AT DOORWAYS TO TRAP MUD, SLUSH, AND WATER AND TAKE THE ABUSE THAT OTHERWISE WOULD BE GIVEN FLOORS AND CARPET. WHATEVER THE SERVICE, SALES OR RENTALS, THESE ARE YOUR BEST BUYS FOR QUALITY.

### Polyester

COLORS  
SOLID RED  
SOLID GREEN  
SOLID BLUE  
SOLID GOLD  
BEIGE TWEED  
RED/BLACK TWEED  
BLACK/WHITE TWEED  
BLUE/GREEN TWEED  
BLACK/GOLD TWEED

THESE ARE OF THE SAME CONSTRUCTION AS NYLON, BUT USING POLYESTER FACE YARNS. POLYESTER IS NOTED BOTH FOR ITS ABILITY TO DRY QUICKLY AND ITS CLARITY OF COLOR. NINE COLORS, INCLUDING FOUR SOLIDS, ALLOW YOU TO MATCH OR COMPLEMENT ANY DECOR. THE MATS LOOK ATTRACTIVE AND STAY FLAT - NEVER BUNCHING UP TO CREATE A TRIP HAZARD. THE INCREASED RESILIENCE OF THE YARN KEEPS THE PILE FROM PACKING - THE DIRT SIFTS DOWN INTO THE PILE AND THE MAT CONTINUES TO LOOK ATTRACTIVE.

### Olefin

COLORS  
BROWN  
CHARCOAL  
BLUE  
RED/BLACK  
RUST  
GREEN

THESE ALL-SYNTHETIC MATS FEATURE OLEFIN FACE YARNS. THIS YARN IS CONTINUOUS FILAMENT - IT WILL NOT PUZZ OR PILL - AND IS SOLUTION DYED. THE COLOR IS ADDED TO THE CHEMICAL BEFORE IT IS A YARN SO THE COLORS ARE FAST AND WILL NOT FADE. OLEFIN IS THE MOST STAIN RESISTANT YARN MADE - IT DOES NOT ABSORB GREASE OR OIL. SIX NEW DECORATOR COLORS ALLOW YOU TO SELECT MATS FOR YOUR MOST PRESTIGIOUS LOCATIONS.

STANDARD SIZES  
2X3, 3X4, 3X5, 3X6, 4X5, 4X6, 3X60, 4X60, 6X60  
OTHER SIZES AVAILABLE ON SPECIAL ORDER

## American Dispenser Marketing Award

Burton L. Feinson, president of American Dispenser Company, Inc., announces the presentation of the company's "Marketing Manager Achievement Award," which was won by an overseas firm for the first time in American's history.

The recipient was Max Carlyle, general manager of Hunters Industrial Ptd. Ltd., who represents American Dispenser in Australia and New Zealand. At the presentation, Feinson stated: "Rather than being based on sales achievements, quotas, etc., this award is given to the American Dispenser Co. representative who develops the best marketing approach for a particular area. Carlyle exemplifies an individual who is well versed in modern marketing techniques, and he is indeed a great asset to us in our rapidly expanding overseas business."
